

# Who We Are

**Progressive Machinery Inc.** is a Sales, Engineering, and Solution services company that specializes in production and packaging machinery for the wire and cable industry. Our prime focus is to improve the productivity, efficiency and output of our customer plants, while driving their cost of production down. Our machines are designed to make your manufacturing and packaging processes as efficient as possible and to make your company more competitive.

Our Company has three divisions that work together in a highly coordinated framework.

1. ***Wire and Cable Packaging machinery***
2. ***Wire and Cable Manufacturing machinery***
3. ***Custom Engineering & Automation services***

Our synergy works to provide you logical and cost effective solutions.
